✂ Cut along the dotted line and follow the instructions to make your very own Kids Dental fortune teller.

Bacteria
Yucky bacteria is growing on your teeth and making cavities. You better brush twice a day.

acid
Larry Jenkins is making acid on your teeth that gets into the bumps and cracks.

gums
Your teeth and gums are so nice you must be eating lots of healthy food.

Decay
Bucky Floppo hides from your toothbrush inbetween your teeth, you better floss more.

Fluoride
Cavities will grow quickly on your teeth if you don't take care of them.

Die!
Dan Molar likes it when you eat lots of junk food so your teeth fall out.

SCUGS
The SCUGS are growing on your teeth when you don't brush properly.

GUNK
You have lots of gunk on your teeth and soon they will fall out.

SCUGS
The SCUGS are growing on your teeth when you don't brush properly.
